

Butler County Prevention and Addiction Taskforce

- We share information across sectors to address complex intersection of issues
- We monitor data for emerging trends, to create adaptive solution
- We align resources, strategies, & policies

The Butler County Prevention Coalition and Addiction Taskforce is designed to foster cross-sector collaboration and co-creation of strategies that work in addressing substance use in our community. We have come together to streamline our work and join with community partners to make a bigger impact. We work together to address prevention, treatment, harm reduction, and recovery. Join us at an upcoming meeting.
